

Won't You Give Me Your Support? I'm Doing Pushups for Charity!

Dear Potential Supporter:

Since 2009, Pushups for Charity™ events have been hosted across the nation to raise awareness and donations for military heroes through the non-profit Boot Campaign™. On November 8, Louisville will join this effort to commemorate Veterans Day. Funds raised will help Boot Campaign™ assist members of the military and their families through six key initiatives: Jobs, Housing, Wellness, Education, Urgent Assistance and Family Support.

My Name Is: _____ **Phone:** _____

I hope to do **at least** _____ pushups in 90 seconds during Pushups for Charity: Louisville. I hope you will support me with a tax-deductible contribution of any size to the Boot Campaign™. Your **check may be made payable to Boot Campaign** (and you will receive a receipt from them). Though you are not making a pledge on the basis of the actual number of pushups I do, I will be happy to tell you my results in the week following the event.

Thank you for considering!
